CONVERT YOUR SKILLS, KNOWLEDGE AND EXPERIENCE TO A RECOGNISED DIPLOMA

College of Birmingham was established in 2013 as an online and not for profit education-training centre and progressed into a full-fledged global higher education provider offering vocational and professional courses, both online and on-campus at Birmingham, UK.

Today we have Certified Assessors nationwide to conduct RPL Assessment in broad occupational areas: Business, Finance, ICT, Manufacturing, Management, Education, Tourism, Advertising, Transportation, Insurance, Automotive, etc.

If you have at least 5 years of executive/supervisory management experience related to your current occupation plus a minimum of 2 subordinates and can produce evidence of your competency in your job, you are eligible to be assessed immediately for the College of Birmingham Professional Diploma.

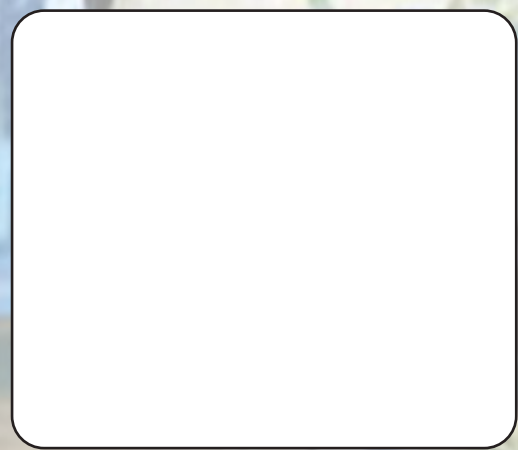

The College of Birmingham Professional Diploma gives entry into the Executive Degree Program.

This RPL initiative is supported by the Malaysia Ministry of Human Resources through the Human Resources Development Fund (HRDF). The all inclusive cost of the College of Birmingham Professional Diploma is RM4,500.

This is a nation building project and we hope to upskill 700,000 within our current workforce to Professional Diploma by the end of 2020.

RPL FLOWCHART

1. Complete the Assessee Form to our office for COB approval.
2. The assessee undertakes a self assessment.
